

## **Aboriginal ECD Reinvestment Initiative-Call for Applications for Funding**

Dear First Nations Early Childhood Development Council members,

The Core FNECD Council group members have been working hard over the past weeks to roll out even more funding to our ECD programs and services. We are pleased to announce a new funding opportunity for you! **General Project Enhancement grants in the amount of \$7500 are now available!!!** These grants are part of the provincial *Aboriginal Early Childhood Development (ECD) Reinvestment Initiative* and *can be used for a LONG list of ECD programming and services. Your centre/organization/community can even apply for more than one (as long as you service children aged 0-6)!*

**Grants are on a first come, first serve basis so please apply soon!!!**

Three documents are attached to this e-mail that detail the process for applying for these grants.

1. [Request for Letters of Intent](#) (LOI)
2. [LOI Template](#)
3. [LOI Survey](#)

This is a much different process than past calls for funding and as such, things have been simplified for you! (No Band Council Resolutions are necessary this time!) If you have any questions after you have read all 3 documents, please do not hesitate to e-mail or call Jennifer K. Fox [jfox@fnesc.ca](mailto:jfox@fnesc.ca)
